

NRSE Series

SMD Shielded Tiny Power Inductor

Size 8065

CHARACTERISTICS

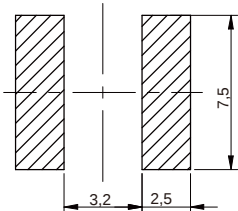

- 
- 

APPLICATION

- 
- 

Dimensions: [mm]

Land Pattern: [mm]

Electrical Properties:

| Part No | (μH) | Tolerance | Satura on<br>(A) | (A) | (Ω) |
|---------|------|-----------|------------------|-----|-----|
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
|         |      |           |                  |     |     |
